TDSP per meter Fee

Electricity price

The average prices shown above includes the energy charge, TDSP per meter fee, and monthly base charges as shown. Except for price changes allowed by law or regulatory action, this price is the price that will be applied during your first billing cycle; this price may change in subsequent months at the sole discretion of Acacia Energy. Please review the historical price of this product available at www.acaciaenergy.com and 877-997-2946.

Other Key Terms and questions

See Terms of Service statement for a full listing of fees and other terms.

Disclosure Chart

Type of Product	Variable Price Product
Contract Term	1 Month
Do I have a termination fee or any fees associated with terminating service?	No
Can my price change during the contract period?	Yes
If the price can change, how will it change and by how much?	The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.
What other fees may I be charged?	Please see the Terms of Service for a full listing of non-recurring fees.
Is this a pre-pay or pay in advance product?	No

	Does Acacia Energy purchase excess distributed renewable generation?	No
	Renewable Content	This product is 10.1% renewable.
	Statewide average for Renewable Content	11.50%
